Focus Issue on Materials for Energy, Environment, and Healthcare

Guest Editors

Soney Varghese, *National Institute of Technology Calicut, India*

Deepalekshmi Ponnamma, *Centre for Advanced Materials, Qatar University, Qatar*

Aiswarya Bhaskar, *CSIR-Central Electrochemical Research Institute Karaikudi, India*

B Ratna Sunil, *Prince Mohammad Bin Fahd University, Saudi Arabia*

Devinder Yadav, *Indian Institute of Technology Patna, India*

Scope

The scope of this Focus Issue includes but is not limited to: Energy Materials, Materials for Sustainable Development, Medical Materials, Advanced Characterisation of Functional Materials and Modelling and Simulation of Materials.

Submission deadline

1 June 2025

Submission process

Please submit your article via our [online submission form](#). You should submit the appropriate [article type](#) for your submission then choose 'Focus on Materials for Energy, Environment, and Healthcare' from the drop-down menu.

Editors-in-Chief

Yi Cao, *Nanjing University, China*

Judy Wu, *University of Kansas, USA*
